### **Standing Agenda Items**

The Case 721 G End loader should arrive by November 14.

Clerk noted that the County CEED Committee released the \$7014.35 to go toward Crack Sealing of Blenker Road and part of Trestik Drive.

Pat Altmann is building a sprayer system that the town can rent and see how that works to kill weeds about two feet into the ditches to try and reclaim part of the road way back.

Culvert on Blueberry Road is caving in, recommend to have it repaired before the ground freezes. Ron Koziczkowski received two bids, Hank moved to use Becker Trucking & Excavating provided they have a 40 ft. culvert at a bid of just under \$7000, Leon seconded, motion carried.

The recycling center board is meeting on November 12 and will be discussing replacing Bob Ashbeck at the Recycling Center.

No Additions to the agenda.

**Public Comment**

Don Manlick expressed concern over the culvert on Eagle Lane at the intersection of CTY RD F. Would like to see it replaced when CTY RD F would be redone, unsure when that will happen. However, culvert is in bad shape.

Don Manlick questioned who cleans the road ditches? There is a back log of water along CTY Road F up to Maple Road. The Town typically does not clean ditches unless related to excessive rains.

Clerk reminded supervisor's nomination papers will be coming out at the December meeting and the Town is in need of a person to run for the chair position.

Leon moved to pay bills, Hank seconded, motion carried.

Leon moved to adjourn meeting, Hank seconded, motion carried.

Next meeting is set for December 4 at 6:30pm.

Respectfully Submitted by Christine Hollar
